

# INSURANCE AND RISK MANAGEMENT SOLUTIONS FOR THE SHIPPING AND LOGISTICS INDUSTRY

Established in 1975 **Ryan Insurance Group** has developed over the years to become a large and well respected independent insurance brokerage, remaining privately owned and employing over 70 people.

Our service is delivered to you within our Business Insurance Division by dedicated account handlers who are trained to the highest levels to do a good job and where customer service is paramount.

The shipping and logistics industry is of particular interest to Ryans especially as our head office is ideally placed right on the east coast. Provision of insurance and risk management solutions to this industry is an area of growth within the business and we have invested significantly to develop this area even further.

w: [www.ryan-group.co.uk](http://www.ryan-group.co.uk)

We now handle a good portfolio of business from all areas of this industry including:

- **Haulage**
- **Warehousing**
- **Freight forwarding**
- **Transit**
- **International movement of goods**

One of our key strengths is the knowledge and ability of our staff, acquired as a result of our training and development programme which enables them to understand and deliver specialist insurance and risk management solutions to our clients.
