

SOS-HR

Managing Human Resources

SOS-HR have been specialising in the shipping, forwarding and haulage industry and are able to incorporate relevant industry compliance within our HR-services.

We can offer affordable solutions for all sizes of business, budget or experience and we can be used by everyone from an owner, director or manager, to a qualified professional.

We can issue all the HR documentation and letters, offer advice and support through our telephone helpdesk, email guidance directly to your desktop, carry out the HR procedures at

your premises, conduct and minute meetings, draft and issue all letters with the correct wording following the legal guidelines. We also monitor and evaluate on-going situations giving you a complete HR audit trail.

As well as issuing a visible set of valid policies and procedures, SOS-HR advises you of forthcoming changes to the law and gives you all the tools you need to remain compliant.

We provide relevant training in HR and health and Safety which supports and underpins your Company's policies and procedures. This helps your employees understand their role, set an example, carry out their duties effectively, build their confidence and will enable you to manage more efficiently and competently avoiding unnecessary and costly mistakes.

Choose SOS-HR if:

- You're looking for cost-effective, reliable HR and H&S advice
- You need a service that manages your HR obligations for you
- You'd like peace of mind that your policies and procedures are legally dependable and accurate.
